BACKGROUND:

Established by the Board of Supervisors in December 1996 as an official County commission and the authorized County partner with the California Arts Council, the Arts and Culture Commission (AC5) first applied for and received funding from the State-Local Partnership Program in July 1995 for fiscal year 1995-1996. Since that time, the Board of Supervisors has designated and reaffirmed the Arts and Culture Commission as the authorized partner of the State-Local Partnership Program of the California Arts Council. This designation allows the County to apply for and accept funding from the State to enhance art and culture programs in the county.

The State-Local Partnership Program fosters community development through the arts at the county level via partnerships between the California Arts Council and a local arts agency. Partners benefit from funding, technical assistance and coordinated activities that support their efforts that enrich the lives of the members of their communities through the arts.

On September 15, 2015 the Board of Supervisors approved the execution of a grant from the California Arts Council in the amount of \$12,000. On November 10, 2015 the County was informed that the grant amount had been increased to \$23,996.

CONSEQUENCE OF NEGATIVE ACTION:

The County will lose the opportunity for additional funding.
