**RECOMMENDATION(S):**

APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a contract amendment with Michael Baker International to increase the payment limit by \$93,600 to a new payment limit of \$663,600 for the term of February 1, 2015 through January 31, 2017.

**FISCAL IMPACT:**

\$663,600 will be received through a grant from the Department of Water Resources to implement new flood safety plans.

**BACKGROUND:**

Contra Cost County Public Works applied to the Department of Water Resources (DWR) for a grant for the planning and implementations of the Contra Costa County Flood Emergency Response Program. DWR funded \$663,600 for Contra Costa County's Delta Flood Readiness activities. The Office of Emergency Services is a sub grantee of this DWR grant. Flood is ranked number 4 in the county's natural hazards local mitigation plan and therefore will greatly benefit from the grant projects as follows:
