Costa
County**

To: Board of Supervisors
From: Ed Woo, Chief Information Officer
Date: January 5, 2016

Subject: Contract with CSI Telecommunications, Inc., for Telecommunications Engineering Services

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Chief Information Officer, or designee, to execute a contract amendment with CSI Telecommunications, Inc., effective January 5, 2016, to extend the term from January 31, 2016 through January 31, 2017 and increase the payment limit by \$220,000 to a new payment limit of \$420,000, for continued Federal Communications Commission radio licensing and microwave frequency coordination, as needed.

FISCAL IMPACT:

\$220,000 increase (100% User Fees). The costs are budgeted under Org 4295 and recovered through DoIT's billing process.

BACKGROUND:

The Department of Information Technology Microwave Division is responsible for maintaining the County's Microwave System, including frequency coordination and licensing.

In accordance with Administrative Bullentin No 611.0, County Departments are required to

cc:

obtain Board approval for single item purchases over \$100,000. The County Administrator's Office has reviewed this request and recommends approval.

CONSEQUENCE OF NEGATIVE ACTION:

Should the Board elect to not approve the contract amendment, DoIT will be unable to ensure the integrity of the County's Microwave System. Proper maintenance of the system is essential for many reasons including homeland security and public safety.
