impacted attendance

BACKGROUND: (CONT'D)

for this date, for the 2 classrooms, is 44 children based on the week attendance average for November 16, 2015.

In order to prevent a loss of funds during this period, the County has the option to submit a board order to the State in order to maintain childcare fund reimbursement for the impacted days of closure. This is allowable as per California Department of Education, Child Development Management Bulletin 10-09 "Reduced Days of Operation or Attendance Due to Emergency Conditions".

CONSEQUENCE OF NEGATIVE ACTION:

If not approved, the County will lose \$2,500 in potential revenue.

CHILDREN'S IMPACT STATEMENT:

The Employment & Human Services Department Community Services Bureau supports three of Contra Costa County's community outcomes - Outcome 1: "Children Ready for and Succeeding in School," Outcome 3: "Families that are Economically Self-sufficient," and, Outcome 4: "Families that are Safe, Stable, and Nurturing." These outcomes are achieved by offering comprehensive services, including high quality early childhood education, nutrition, and health services to low-income children throughout Contra Costa County.
