BACKGROUND: (CONT'D)

This amendment to the Agreement is recommended because the County's need for "on-call" project management consulting services is greater than initially anticipated. Increasing the payment limit will allow the Consultant to complete more projects.

CONSEQUENCE OF NEGATIVE ACTION:

Without Board approval, the Consultant will not be able to provide additional "on-call" project management services to complete necessary capital projects, which may jeopardize funding and delay design and construction of various capital projects.
