County

To: Board of Supervisors  
From: Julia R. Bueren, Public Works Director/Chief Engineer  
Date: March 1, 2016

Subject: Consulting Services Agreement with Quincy Engineering, Inc., Countywide.

**RECOMMENDATION(S):**

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Consulting Services Agreement with Quincy Engineering, Inc., in an amount not to exceed \$250,000, for on-call structural engineering consulting services for the period of March 1, 2016 through March 1, 2019, Countywide.

**FISCAL IMPACT:**

Work performed under this on-call Consulting Services Agreement is funded by developer fees, local, state and federal funds for road, flood control, and airport projects.

**BACKGROUND:**

The Public Works Department is involved in various projects in the County that require structural engineering services for road, flood control, and airport projects. After a solicitation process, this firm was selected as one of five firms to provide structural engineering services on an "on-call" basis. The Consultant will augment Public Works staff on an as-needed basis. They will be used as an extension of Public Works staff during busy times when extra help is needed or when in-house expertise is not available. This on-call Consulting Services Agreement will be in effect for thirty six months.

CONSEQUENCE OF NEGATIVE ACTION:

Without approval from the Board of Supervisors, there is possible delay in completing projects requiring structural engineering services. Executing this Consulting Services Agreement will facilitate the process of design and construction for various Public Works projects requiring structural engineering expertise.
