

**Contra
Costa
County**

To: Board of Supervisors

From: John Kopchik, Director, Conservation & Development Department

Date: May 10, 2016

Subject: Allocation of FY 2015/16 and FY 2016/17 Keller Canyon Mitigation Funds

RECOMMENDATION(S):

APPROVE and AUTHORIZE a change in the FY 2015/16 Keller Canyon Mitigation Fund allocation of \$150,000 from the Ambrose Recreation and Park District to the City of Pittsburg and, additionally, a FY 2016/17 commitment of \$100,000 from the Keller Canyon Mitigation Fund for the Ambrose Park Aquatics Complex Project in Bay Point, as recommended by the Keller Canyon Mitigation Fund Review Committee, as recommended by the Keller Canyon Mitigation Fund Review Committee.

FISCAL IMPACT:

Recommended funding will come from unallocated FY 2015/16 and FY 2016/17 Keller Canyon Mitigation Funds and, therefore, have no impact on the County's General Fund.

BACKGROUND:

This is a revision of Board Order C.101 approved at the March 29, 2016 Board of Supervisors meeting. The City of Pittsburg will be the lead agency for the Ambrose Park Aquatics Complex Project; therefore, the allocation will be to the City of Pittsburg instead of the Ambrose Recreation and Park District.

cc:

On August 18, 2015, the Board of Supervisors approved the FY 2015/16 Keller Canyon Mitigation Fund (KCMF) Allocation Plan. Eighty-eight projects/programs/initiatives were granted funding totaling \$1,394,702. Subsequent to the allocation, an additional \$12,600 was allocated to three projects by the Board. Also, subsequent to the allocations, an error was identified in the Keller Canyon Mitigation Fund (KCMF) fund balance during an audit review.

BACKGROUND: (CONT'D)

As a result, the fund balance will be increased by \$99,967, and the FY 2015/16 KCMF unallocated funds balance will be increased to \$150,579. Per KCMF Policy (Section II.G), 20% of the projected FY 2015/16 revenue (\$220,000) remains unallocated.

On March 3, 2016, the KCMF Review Committee (Committee) convened to consider allocating funds for the Ambrose Park Aquatics Complex Project in Bay Point. The project includes rebuilding the pool, replacing restrooms, equipment facilities, and landscaping. The Committee recommended allocating \$150,000 to the Ambrose Recreation and Park District from the FY 2015/16 KCMF and committing \$100,000 of FY 2016/17 KCMF funds (see Attachment A). The funds will be matched by funds from Ambrose Recreation & Park District and the City of Pittsburgh.

CONSEQUENCE OF NEGATIVE ACTION:

Not approving the recommended allocation would create a funding gap in the Ambrose Park Aquatics Complex Project in Bay Point.

CHILDREN'S IMPACT STATEMENT:

The allocation of KCMF funding supports the following outcome in the Children's Report Card: *Families are safe, stable, and nurturing.*
