### BACKGROUND: (CONT'D)

Head Start services to program eligible County residents. Contra Costa also receives funds from California Department of Education (CDE) to provide State Preschool services to program eligible County residents. The State requires an indemnification clause with County subcontractors wherein the subcontractor holds harmless the State and its officers for any losses.

In order to provide a wider distribution of services to County residents, the Department subcontracts with a number of community-based organizations. The board approved the contract on January 19, 2016 (C. 52) to provide childcare services for 44 children enrolled in Little Angels Country Day School programs. This board order seeks approval to amend the contract to pass through the increased daily rate provided by the State Department of Education to the County via the State Preschool contracts. The daily rate has been increased from \$20.50 to \$21.96 per Child Day of Enrollment for State Preschool (part-day); from \$30.88 to \$32.96 for State Preschool (full-day); and from \$30.88 to \$32.75 for State General Childcare and Development. The number of slots per program remain unchanged.

### CONSEQUENCE OF NEGATIVE ACTION:

If not approved, County will not be able to more widely distribute childcare availability through partnership with community based agencies.

### CHILDREN'S IMPACT STATEMENT:

The Employment & Human Services Department Community Services Bureau supports three of Contra Costa County's community outcomes - Outcome 1: "Children Ready for and Succeeding in School," Outcome 3: "Families that are Economically Self-sufficient," and, Outcome 4: "Families that are Safe, Stable, and Nurturing." These outcomes are achieved by offering comprehensive services, including high quality early childhood education, nutrition, and health services to low-income children throughout Contra Costa County.
