BACKGROUND: (CONT'D)

Clerk-Senior Level position #9075 is currently vacant. The Department determined that adding one full-time Community Health Worker II position will better serve the current needs of the Women, Infants & Children (WIC) Program. This will also help the program's operational efficiencies and fulfill its obligations under the State Maternal, Child and Adolescent Health (MCAH) contract. The Community Health Worker II works in a variety of public health programs providing basic health care information and services to clients. Incumbents also provide assistance to medical personnel and nursing staff in their examination of patients and in other clinic activities.

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, program operational needs will not be achieved due to staffing shortage.

CHILDREN'S IMPACT STATEMENT:

Not applicable.
