Department of Health and Human Services (Health Resources & Services Administration), to pay the County up to \$111,449 in funding for the Ryan White, Part C, HIV Early Intervention Services Program, for the period from May 1, 2016 through April 30, 2017.

FISCAL IMPACT:

Acceptance of the Grant Award will provide up to \$111,449 in funding to the County from the U. S. Department of Health and Human Services (Health Resources & Services Administration). No County match required.

BACKGROUND:

West Contra Costa County has been hard hit by the AIDS epidemic with 25% of those living with AIDS residing in the City of Richmond. Unfortunately, a large percentage of those living with HIV/AIDS are of low income, having to rely on Basic Adult Care (BAC) for their medical care, or forced to pay for their medical care because they do not qualify for BAC services. The County's AIDS Program works closely with other staff in Public Health
