Subject: Approve a Purchase Order with Telfer Oil Company.

---

**RECOMMENDATION(S):**

APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute, on behalf of the Public Works Director, a purchase order with Telfer Oil Company, in an amount not to exceed \$2,000,000 for Polymer Modified Cationic Rapid Set and Polymer Modified Asphalt Rejuvenator Emulsion and excess spread time to be used in the Road Surface Treatment Program, for the period from July 1, 2016 through June 30, 2019, Countywide.

**FISCAL IMPACT:**

100% Local Road Funds.

**BACKGROUND:**

The placement of chip seal to resurface County roads is a long-established preventative maintenance practice. A chip seal increases the asphalt pavement life by an extra 7 to 10 years before another surface treatment is needed. This purchase order is to supply asphaltic emulsion spread for the Road Surface Treatment Program.
