BACKGROUND:

This Contract meets the social needs of the County's population by providing residential day treatment services including: rehabilitative day treatment, medication support, and other mental health services to Medi-Cal eligible, SED adolescents.

On November 17, 2015, the Board of Supervisors approved Novation Contract #74-031-21 with Summitview Child and Family Services, Inc., for the period from July 1, 2015 through June 30, 2016, which included a six-month automatic extension through December 31, 2016, for the provision of rehabilitative day treatment, medication support, mental health treatment, and therapeutic behavioral services.

Approval of Novation Contract #74-031-22 replaces the automatic extension under the prior Contract and allows the Contractor to continue providing services, through June 30, 2017.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, SED children will not have access to Contractor's services and may require higher levels of care.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
