Subject: AES Automated Appraisal System Maintenance & Support

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Purchasing Agent to execute, on behalf of the Assessor's Office, a purchase order with Tyler Technologies Inc, in the amount of \$145,861.00 for the maintenance and support of the AES Rapid 2000 computer automated appraisal system for the period of August 1, 2016 - July 31, 2017.

FISCAL IMPACT:

AB589 Property Tax Administration Program funds, in the amount of \$145,861.00 will be used to maintain the system.

BACKGROUND:

The AES Rapid 2000 system has been operational in the Assessor's Office since 1999. The system currently contains five (5) basic modules including residential property appraisal, appeal processing, public services tracking, Geographic Information System (GIS) and mass appraisal. The AES system has enabled appraisers to have on-line access to comparable sales data, property characteristics and Geographical Information System (GIS) parcel data, which is used to analyze and determine residential property appraisals for enrollment of the Assessment Roll. In its current state, the AES system has become a mission critical
