RECOMMENDATION(S):

CONSIDER accepting the report from the Health Services Department on the implementation of Laura's Law (Assisted Outpatient Treatment program) in Contra Costa County.

FISCAL IMPACT:

There is no fiscal impact; the report is informational.

BACKGROUND:

On December 15, 2015, the Health Services Department provided the Board of Supervisors with an update on the progress of the Assisted Outpatient Treatment Program. The Board approved the department's recommendation to continue with the program's implementation using \$2.25 million per year of Mental Health Services Act funding, which would not impact the County's General Fund or reduce the existing voluntary mental health program services. The Board asked that the department return with an update after six months of the full implementation.
