cc:

The contract includes provisions requiring the contractor to indemnify the County for any claims for infringement of a third party's intellectual property rights to the extent the infringement claims are based on Contractor's performance of support services under the contract.

BACKGROUND: (CONT'D)

In accordance with Administrative Bulletin 605.3, service contracts exceeding \$100,000 require the approval of the Board of Supervisors.

CONSEQUENCE OF NEGATIVE ACTION:

Mainframe production job processing can impact the Courts Systems, Law and Justice Systems, Property Tax System, and the Finance System. The County's business productivity and finance systems could be negatively impacted if the Mainframe malfunctioned and we were unable to correct the issue; the implications could be severe.
