BACKGROUND: (CONT'D)

30, 2017. However, the contract payment limit was calculated for a six-month term contract and the contract approval was for a 12 month term. Therefore, the department needs to increase the payment limit to account for the 12 month term contract.

Approval of Contract Amendment Agreement #24-927-22 will allow the contract to have sufficient funds for the Contractor to continue providing services through June 30, 2017.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, Asian American and other ethnic groups receiving services at four programs in West County would have reduced access to mental health services in school, drug court and clinic settings.

CHILDREN'S IMPACT STATEMENT:

This EPSDT Program supports the following Board of Supervisors' community outcomes: (1) "Children Ready for and Succeeding in School"; (4) "Families that are Safe, Stable, and Nurturing"; and (5) "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS) and a decrease in juvenile offender recidivism as measured by probation database information.
