initiative programs provided within the County. The funding will allow for enhanced coordination and communication among the disciplines to maximize protective actions, emergency preparedness, and the effective response to emergencies and disasters. The initial total grant program allocation provided to the County by the U.S. Department of Homeland Security and sub-granted through the State of California is \$1,200,036. The grant application requires the County to adopt a resolution (attached) appointing an authorized agent to act on behalf of the Board of Supervisors by executing any actions necessary for each application and sub-grant. The application also requires the applicants to make certain grant assurances prescribing requirements to which the County will be held accountable.

CONSEQUENCE OF NEGATIVE ACTION:

The Office of the Sheriff would not be able to accept this grant funding thus denying the acquisition of critical public safety equipment intended for the County Hospital, County Fire Departments, local Police Departments and the Office of the Sheriff.
