

**Contra  
Costa  
County**

To: Board of Supervisors  
From: Julia R. Bueren, Public Works Director/Chief Engineer  
Date: December 6, 2016

Subject: APPROVE and AUTHORIZE a contract amendment with Anchor Engineering, Inc.

**RECOMMENDATION(S):**

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute Contract Amendment No. 2 to the Consulting Services Agreement with Anchor Engineering, Inc., effective December 6, 2016, to increase the payment limit by \$900,000, to a new payment limit of \$1,400,000, and to extend the termination date to December 31, 2019, to continue providing "on-call" construction management/project management services.

**FISCAL IMPACT:**

100% Federal, State, Local, and/or General Funds.

**BACKGROUND:**

The Public Works Department is involved in various projects in the County, which require construction management/project management services for capital improvement projects. After a solicitation process, this Consultant was selected as one of four firms to provide project management services on an "on-call" basis to augment Public Works staff. The Board of Supervisors approved the Agreement with the Consultant on July 7, 2015. On February 9, 2016, the Board approved Amendment No. 1,

### BACKGROUND: (CONT'D)

increasing the payment limit from \$250,000 to \$500,000.

The County's need for "on-call" construction management/project management consulting services is greater than initially anticipated. Some projects that will require construction management/project management services are the new fire stations, expansion of the West County Health Center, and any other major capital projects. In August 2016, the Public Works Department requested additional Statement of Qualifications ("SOQs) for construction management/project management services, which were due September 13, 2016. The Public Works Department received seven SOQs from interested firms and four were shortlisted. A selection committee comprised of County staff conducted interviews and ranked the shortlisted firms. Anchor Engineering, Inc., was one of the top ranking firms. It is recommended that Anchor Engineering, Inc., be awarded Amendment No. 2 to its existing Consulting Services Agreement.

### CONSEQUENCE OF NEGATIVE ACTION:

Without Board approval, the Consultant will not be able to provide additional "on-call" construction management/project management services to complete necessary capital projects, which may jeopardize funding and delay design and construction of various capital projects.
