and Culture Commission (AC5) first applied for and received funding from the State-Local Partnership Program in July 1995 for fiscal year 1995-1996. Since that time,

BACKGROUND: (CONT'D)

the Board of Supervisors has designated and reaffirmed the Arts and Culture Commission as the authorized partner of the State-Local Partnership Program of the California Arts Council. This designation allows the County to apply for and accept funding from the State to enhance art and culture programs in the county.

The State-Local Partnership Program fosters community development through the arts at the county level via partnerships between the California Arts Council and a local arts agency. Partners benefit from funding, technical assistance and coordinated activities that support their efforts that enrich the lives of the members of their communities through the arts.

On August 2, 2016, the Board approved and authorized the County Administrator to apply for and accept a grant in an amount not to exceed \$30,000 from the State of California Arts Council. On November 4, 2016, the County was notified of the increased grant amount, which does not require a 1:1 match. Therefore, the County Administrator is requesting Board approval to accept the full grant award amount of \$35,650, which includes the Poetry Out Loud grant.

CONSEQUENCE OF NEGATIVE ACTION:

The County will not receive the additional grant funds awarded.
