

**Contra
Costa
County**

To: Board of Supervisors
From: David O. Livingston, Sheriff-Coroner
Date: February 7, 2017
Subject: Flood Safety Services

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a contract amendment with Michael Baker International for development of a Flood Emergency Management program extending the termination date of the contract from January 31, 2017 to October 8, 2018 with no change to the payment limit.

FISCAL IMPACT:

No additional cost. The original payment limit of \$663,600 will be received through a grant from the Department of Water Resources to implement new flood safety plans.

BACKGROUND:

Contra Cost County Public Works applied to the Department of Water Resources (DWR) for a grant for the planning and implementations of the Contra Costa County Flood Emergency Response Program. DWR funded \$663,600 for Contra Costa County's Delta Flood Readiness activities. The Office of Emergency Services is a sub grantee of this DWR grant. Flood is ranked number 4 in the county's natural hazards local mitigation plan and therefore will greatly benefit from the grant projects as follows:

BACKGROUND: (CONT'D)

Develop new or update existing local maintaining agency flood safety plans.

- Develop an emergency operations plan flood safety annex for the Emergency Operations Center.
- All plans will contain flood contingency maps to include evacuation routes and rally points.
- Develop and distribute Bethel Island Municipal Improvement District public outreach campaign materials regarding flood safety.

CONSEQUENCE OF NEGATIVE ACTION:

The Office of the Sheriff would not be able to finish the project.

CHILDREN'S IMPACT STATEMENT:
