BACKGROUND:

The Medi-Cal County Inmate Program (MCIP) is a fee-for-service program that authorizes reimbursement for inpatient health care services provided by the County to Medi-Cal eligible County inmates in the Detention Facilities. The purpose of this agreement is to set forth the terms by which the County must abide in order to participate in the MCIP.

Approval of Agreement #28-365 and Agreement #28-365-1 will allow the County to participate in the MCIP through June 30, 2018. These agreements include agreeing to indemnify and hold harmless the State for any and all claims arising out of performance under these agreements.

CONSEQUENCE OF NEGATIVE ACTION:

If these agreements are not approved, the County will not be reimbursed by the State for inpatient health services it provides to Medi-Cal eligible County inmates.
