Subject: APPROVE a contract with Pro-Line Inspections

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a contract with Pro-Line Inspections, Inc., in an amount not to exceed \$500,000, for main switchgear testing, for the period of April 1, 2017 through January 31, 2020, Countywide.

FISCAL IMPACT:

This cost is to be funded through Facilities Services maintenance budget - 100% General Fund

BACKGROUND:

Facilities Services has been tasked with several requests for electrical upgrades to County facilities. With an improved County budget and Facility Life Implementation Plan, the work orders have begun to amass. BidSync #1510-160 solicited several electrical contractors interested in performing sublet work for Facilities Services. Pro-Line Inspections, Inc., was selected for main switchgear testing work which is not typically performed with County staff.
