cc:

Currently, ESD does not have enough capable tow vehicles for the emergency trailers in their fleet.

BACKGROUND: (CONT'D)

On large operations or situations where there are multiple requests (including disaster response) for equipment, ESD must ferry equipment and coordinate vehicles to tow. This often requires tow vehicles to go back and forth to pick up multiple trailers. Adding another tow vehicle able to tow any trailer in the fleet will add flexibility and capability to meet multiple requests for service.

Grant funds and auction salvage dollars are available to purchase the vehicle in its entirety. No General Fund monies will be used to purchase this vehicle.

CONSEQUENCE OF NEGATIVE ACTION:

The Sheriff's Office will be unable to acquire the vehicle for Emergency Services.

CHILDREN'S IMPACT STATEMENT:

No impact.
