Subject: Purchase Order with Medical Information Technology, Inc. for Software Maintenance Renewal

RECOMMENDATION(S):

Approve and authorize the Purchasing Agent on behalf of the Health Services Department, to execute a Purchase Order with Medical Information Technology Inc., in an amount not to exceed \$103,000 for annual maintenance of Medical Information Technology software for the period from April 1, 2017 through March 31, 2018.

FISCAL IMPACT:

100% Funding is included in the Hospital Enterprise Fund I budget.

BACKGROUND:

The Health Services Department uses Medical Information Technologies software modules as the primary point of care information system for its Clinical Laboratory. Pursuant to a Program License Agreement date July 16, 1992, and a Health Care Information System Software Agreement dated April 28, 2003, the County purchased software modules from Medical Information Technology. Modules presently in use include Laboratory Module, Microbiology Module, Anatomical Pathology Module, Blood Bank Module, Materials Management Module, Data Repository and MAGIC Operating Systems (Disaster Recovery). Health Services' Clinical Laboratory use these modules, which allow an

exchange of and immediate access to real-time patient medical information among the Clinical Labs. The County pays Medical Information Technology Inc., annually for the continued use of the software modules.

CONSEQUENCE OF NEGATIVE ACTION:

If this purchase order is not approved, lack of these software applications could disrupt real-time patient data exchange between Clinical Laboratories resulting in data loss.
