BACKGROUND: (CONT'D)

It is to build robust partnerships between employers, schools, and community colleges in order to better prepare students for the 21st century workplace and improve student transition into post-secondary education, training, and employment. Funding will be used to engage employers, develop community training, identify resources, and develop and distribute marketing materials to attract additional resources and community involvement toward the programmatic goals of career and educational development.

CONSEQUENCE OF NEGATIVE ACTION:

Without funding planned training and outreach services could not be delivered.
