purchase order. Ratification of these agreements

BACKGROUND: (CONT'D)

is necessary. Additional software licenses have been obtained by the Sheriff's Office during since the agreements were entered into and the Support Services Agreement needs to be amended to allow for the payment of the additional licenses and continued support. Level II Incorporated is the Sheriff's Office vendor for our Message Switch product. The message switch is the conduit that allows all Law Enforcement in Contra Costa County to connect to the California Law Enforcement Telecommunications System (CLETS). CLETS is a compilation of multiple databases including Stolen Vehicle System, Wanted Persons System, Missing and Unidentified system etc. CLETS is critical data for officer safety as well as the public's safety. This product is also used by the Courts, District Attorney's Office, Fire Investigation and Probation.

CONSEQUENCE OF NEGATIVE ACTION:

Officer and public safety would be compromised.

CHILDREN'S IMPACT STATEMENT:

None.
