(8) ORDER that, the Public Works Director, or designee, is authorized to sign any escrow agreements prepared for this project

RECOMMENDATION(S): (CONT'D)

to permit the direct payment of retentions into escrow or the substitution of securities for moneys withheld by the County to ensure performance under the contract, pursuant to Public Contracts Code Section 22300.

(9) DELEGATE, pursuant to Public Contract Code Section 4114, to the Public Works Director, or designee, the Board's functions under Public Contract Code Sections 4107 and 4110.

(10) DECLARE that, should the award of the contract to Pavement Coatings Co. be invalidated for any reason, the Board would not in any event have awarded the contract to any other bidder, but instead would have exercised its discretion to reject all of the bids received. Nothing in this Board Order shall prevent the Board from re-awarding the contract to another bidder in cases where the successful bidder establishes a mistake, refuses to sign the contract, or fails to furnish required bonds or insurance (see Public Contract Code Sections 5100-5107).

FISCAL IMPACT:

The contract, for a maximum amount of \$200,000, will be funded by 100% Local Road.

BACKGROUND:

The above project was previously approved by the Board of Supervisors, specifications were filed with and approved by the Board, and bids were invited by the Public Works Director. On May 2, 2017, the Public Works Department received bids from the following contractors:

BIDDER, TOTAL UNIT AMOUNT

Pavement Coatings Co.: \$6,700.00 Total Unit Price

ABSL Construction: \$9,400 Total Unit Price

The Public Works Director has reported that the bid submitted by Pavement Coating Co. complies with the requirements of the project specifications. The Public Works Director recommends that the bid submitted by Pavement Coatings Co. is the lowest responsive and responsible bid and this Board so concurs and finds.

The general prevailing rates of wages, which shall be the minimum rates paid on this project, have been filed with the Clerk of the Board, with copies to be made available to any party upon request.

CONSEQUENCE OF NEGATIVE ACTION:

The Public Works Department may be unable to complete routine road maintenance work in a timely manner.
