other placements. Contractor shall also provide a Multisystemic Behavioral and Functional Family Therapy program for adolescents who are discharged from Juvenile Hall and the Orin Allen Youth Rehabilitation

BACKGROUND: (CONT'D)

Facility.

On July 19, 2016, the Board of Supervisors approved Novation Contract #74–315–11, amended by Contract Amendment Agreement #74-315-12, with Community Options for Families and Youth, Incorporated for the period from July 1, 2016 through June 30, 2017, which included a six-month automatic extension through December 31, 2017, for the provision of TBS and Multisystemic Behavioral Therapy.

Approval of Novation Contract #74–315–13 replaces the automatic extension under the prior Contract and allows the Contractor to continue providing services, through June 30, 2018.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, seriously emotionally disturbed children and adolescents involved in the juvenile justice system will not have access to Contractor's mental health services which may result in a reduction of services and placement in higher levels of care.

CHILDREN'S IMPACT STATEMENT:

This TBS program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
