the vendor. Without this renewal, CCRMC and Health Centers will no longer receive critical software updates or vendor support in the event of a system failure.

The Terms and Conditions provide that the County will indemnify the Contractor for loss and damage related to County's performance of the Agreement, and for any damage and costs arising from an infringement claim by a third party related to modifications to the software by County.

CONSEQUENCE OF NEGATIVE ACTION:

If this Purchase Order renewal is not approved, image availability will be limited or not available, and patient care would be severely jeopardized in the event of a system failure.
