and school success.

BACKGROUND: (CONT'D)

On August 16, 2016, the Board of Supervisors approved Contract #24-927-21, as amended by Amendment Agreement #24-927-22, with Community Health for Asian Americans for the period from July 1, 2016 through June 30, 2017, which included a six-month automatic extension through December 31, 2017, for the provision of school and community based mental health services.

Approval of Novation Contract #24-927-24 replaces the automatic extension under the prior Contract and allows the Contractor to continue providing services through June 30, 2018.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, Asian American and other ethnic groups receiving services at four programs in West County would have reduced access to mental health services in school, drug court and clinic settings.

CHILDREN'S IMPACT STATEMENT:

This EPSDT Program supports the following Board of Supervisors' community outcomes: "Children Ready for and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS), and a decrease in juvenile offender recidivism as measured by probation database information.
