revenue was \$1,564,150.10 for Fiscal Year 2016-2017 and will be \$1,577,431.58 for Fiscal Year 2017-2018. In Fiscal Year 2016-2017 the basic service charge was \$14.94/year per equivalent dwelling unit for a single family home and will remain the same for Fiscal Year 2017-2018.

BACKGROUND:

On June 6, 2017, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2017/122 confirming the Fiscal Year 2017-2018 Tentative Annual Report on proposed service charges for CSA L-100. CSA L-100 provides street lighting services.

On July 1, 2017, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2017-2018. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision in order to conform to the official assessment roll. Any change to an estimated basic service charge or estimated service charge in a Tentative Annual Report may be based only on changes in ownership, changes of address, the subdivision of an existing parcel or changes in the class use of a parcel. Upon review of the official assessment roll, staff determined that revisions to the Tentative Annual Report were required in order to conform to the official assessment roll. These included changes in the use code of parcels. The Tentative Annual Report as revised, attachment 1, is the Final Annual Report.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2017/239 serves to confirm the Final Annual Report and constitutes the levy of the service charge for Fiscal Year 2017-2018.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2017-2018 Final Annual Report is not adopted, service charges for CSA L-100 would not be levied or collected in Fiscal Year 2017-2018 and street lighting would have to be selectively eliminated throughout the County to meet decreased funding levels.
