continued operation and maintenance of a water supply system in CSA M-28. The CSA M-28 annual service charge was \$97,109.02 for Fiscal Year 2016-2017 and will be \$100,446.82 in Fiscal Year

FISCAL IMPACT: (CONT'D)

2017-2018. This increase is based on the San Francisco Bay Area - All Urban Consumers Price Index which was 3.44%. The annual service charges for CSA M-28 will be levied on one parcel in Fiscal Year 2017-2018.

BACKGROUND:

Since 1991 the Consumer Price Index (CPI) for the San Francisco Bay Area All Urban Consumers and the costs to operate and maintain the improvements increased, however the charge rate remained constant until Fiscal Year 2007-2008. In Fiscal Year 2007-2008 the charge rate was increased per parcel with an allowance for an adjustment each subsequent year based upon the Consumer Price Index (CPI) for All Urban Consumers.

On June 6, 2017, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2017/123 confirming the Fiscal Year 2017-2018 Tentative Annual Report on proposed service charges for CSA M-28. CSA M-28 provides continued operation and maintenance of a water supply system.

On July 1, 2017, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2017-2018. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision in order to conform to the official assessment roll. Any change to an estimated basic service charge or estimated service charge in a Tentative Annual Report may be based only on changes in ownership, changes of address, the subdivision of an existing parcel or changes in the use code of a parcel. Upon review of the official assessment roll, staff determined that no revisions were required. The Tentative Annual Report is the Final Annual Report.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2017/240 serves to confirm the Final Annual Report and constitutes the levy of the service charge for Fiscal Year 2017-2018.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2017-2018 Final Annual Report is not adopted, service charges for CSA M-28 would not be levied or collected in Fiscal Year 2017-2018 and CSA M-28 would be unable to provide continued operation and maintenance of a water supply system and an alternate source of funding would have to be identified.
