Plan Update:

BACKGROUND: (CONT'D)

Forging Ahead, Implementing a coordinated assessment system to streamline access to housing and services, while addressing barriers, and getting the right resources to the right people, at the right time. Serving all homeless clients throughout the County, this project will expand supportive services for additional case managers, housing navigators, prevention and diversion and an outreach team staff to locate and engage clients in the CE System, supported by housing navigators in our crisis response system

Approval of Grant Agreement #29-810 will allow the County to receive funding for the expansion of the Continuum of Care Coordinated Entry Project, through June 30, 2018.

CONSEQUENCE OF NEGATIVE ACTION:

If this award is not accepted, the County will not receive funding to expand the Continuum of Care project which will result in fewer supportive services for homeless individuals and families putting their well-being and safety at risk.
