BACKGROUND: (CONT'D)

On July 19, 2016, the Board of Supervisors approved Novation Contract #74–363-7 with La Clínica de La Raza, Inc., for the period from July 1, 2016 through June 30, 2017, which included a six-month automatic extension through December 31, 2017, for the provision of MHSA PEI services.

Approval of Novation Contract #74–363–8 replaces the automatic extension under the prior Contract and allows the Contractor to continue providing services through June 30, 2018.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, County will not receive mental health risk factor screening for children and adults, behavioral health intervention, and psycho-educational and parenting groups from this Contractor.

CHILDREN'S IMPACT STATEMENT:

This MHSA PEI program supports the following Board of Supervisors' community outcomes: "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
