significantly reduced services.

The Contractor is entitled to payment for the reasonable value of its services under the equitable relief theory of quantum meruit. That theory provides that where a contractor has been asked to provide services without a valid contract, and the contractor does so to the benefit of the County, the Contractor is entitled to recover the reasonable value of those services. Cross Country Staffing, Inc. provided services at the request of the County after the original contract payment limit had been reached. The Department is requesting the amount due the Contractor be paid in an amount not to exceed \$850,000 for services rendered from May 1, 2017 through June 30, 2017.

CONSEQUENCE OF NEGATIVE ACTION:

If this payment is not approved through June 30, 2017, the County cannot pay the Contractor for services provided.
