Subject: Approve a contract amendment with Terri Oyarzun d/b/a Goats R Us

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a contract amendment with Terri Oyarzun (dba Goats R Us), to increase the payment limit by \$150,000 to a new payment limit of \$550,000, and extend the termination date from June 30, 2017 to December 31, 2017 for vegetation management services, Countywide.

FISCAL IMPACT:

100% Flood Control District funds.

BACKGROUND:

In 2014, Contra Costa County entered into an on-call contract with Goats R Us to provide vegetation management services on a variety of County and Contra Costa County Flood Control & Water Conservation District (District) rights of way and parcels using goats and/or sheep. As this contract expires, the District has determined they have a need for continued vegetation management services. Maintenance is requesting that this contract be extended to the end of the vegetation season. Solicitation for a new contract will happen during this time.
