City of Los Angeles, including Contra Costa County.

BACKGROUND: (CONT'D)

The Cal OES Grant was awarded to the County conditionally, requiring additional information from Employment and Human Services Department (EHSD) Aging and Adult Services Bureau. This necessitated additional research, strategic planning, and coordination between EHSD, proposed contractors, and Cal OES. This process delayed the final unconditional grant award from Cal OES; however, the grantor (Cal OES) confirms funding is available from July 1, 2016 through June 30, 2018. The Grant conditions require that the contracts funded by the Grant are for the term of July 1, 2016 through June 30, 2018.

This contract is for provision of care manager services as well as elder abuse prevention training as part of the Contra Costa County (County) Elder Abuse Prevention Program (EAPP). In partnership with County's Adult Protective Service (APS), this contractor will participate in a multi-disciplinary team to increase communication with all partners of EAPP.

CONSEQUENCE OF NEGATIVE ACTION:

Without this contract, increased training on elder abuse prevention and care management will be significantly hampered, delaying services and assistance to victims of financial elder abuse.
