BACKGROUND: (CONT'D)

the time of negotiations, a list of equipment utilized for these surgeries was provided by the Contractor. As services continued it was discovered the operating room staff at CCRMC were using additional equipment not on the original rate schedule. The Division is requesting this amendment to revise the rate schedule and pay Contractor for additional equipment used.

Approval of Contract Amendment Agreement #26-232-2 will allow the Contractor to provide additional hours of certified technicians and equipment to operate lasers in the Surgical Unit through August 31, 2017.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, rate schedule will not be revised and Contractor will not be paid for services provided in good faith.
