access to multiple service providers and achieve specific measured outcomes. CCFJA organizes and coordinates community family justice workshops, coordinates a multi-disciplinary team, participates in the Alliance to End Abuse collaborative for evaluation, planning, and fundraising as well as assisting in developing aligned policies, practices, and protocols to service delivery for victims of human trafficking. This amendment increases the Contractor's research and reporting responsibilities.

The original contract in the amount of \$150,000 was approved by the Board of Supervisors at its June 13, 2017 meeting (Item C.56). It was 100% funded with County General Funds.

CONSEQUENCE OF NEGATIVE ACTION:

The Contra Costa County Alliance to End Abuse collaborative will have less documented data with which to address interpersonal violence in Contra Costa County and to enhance coordination of services.

CHILDREN'S IMPACT STATEMENT:

The services provided under this contract support all five of Contra Costa County's community outcomes: (1) "Children Ready for and Succeeding in School"; (2) "Children and Youth Healthy and Preparing for Productive Adulthood"; (3) "Families that are Economically Self-Sufficient"; (4) "Families that are Safe, Stable and Nurturing"; and (5) "Communities that are Safe and Provide a High Quality of Life for Children and Families" by providing support and assistance with coordinating access to multiple service providers of crisis intervention, law enforcement, and long-term wellness programs.
