By: June McHuen, Deputy

- The rates are effective July 1, 2018 through June 30, 2019.
- The rates are before employer subvention, if any, of the employee contribution. The rates quoted here are the employer required rates without taking into consideration any employer subvention of employee contributions. A convenient methodology for adding subvention is included on page 20 of the attached document.

BACKGROUND: (CONT'D)

>

- The rates are before any increase in employee rate to pay a portion of the employer contribution. If an employee's rate needs to be increased to pay a portion of the employer contribution, both employee and employer rates would need to be adjusted accordingly. A convenient methodology for adding subvention is included on page 20 of the attached document.

CONSEQUENCE OF NEGATIVE ACTION:

Rates will not reflect those adopted by the Contra Costa County Employees Retirement Board.
