On July 19, 2016, the Board of Supervisors approved Novation Contract #24-308-44 with Early Childhood Mental Health Program for the period from July 1, 2016 through June 30, 2017, which included a six-month automatic extension through December 31, 2017, for the provision of specialized mental health services to children and their families.

BACKGROUND: (CONT'D)

Approval of Novation Contract #24-308-45 replaces the automatic extension under the prior Contract and allows the Contractor to continue providing mental health services, including in-home behavioral health services and intensive care coordination, through June 30, 2018.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, there will be fewer mental health services provided to families in West Contra Costa County.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Children Ready for and Succeeding in School"; "Families that are Safe, Stable and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families." Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale.
