To: Board of Supervisors
From: John Kopchik, Director, Conservation & Development Department
Date: September 19, 2017

Subject: Contract with Darwin Myers (DBA Darwin Myers Associates (DMA)) for "Geology Review and Stormwater Pollution Prevention Monitoring"

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Conservation and Development Director, or designee, to execute a contract with W. Darwin Myers (dba Darwin Myers Associates) in an amount not to exceed \$225,000 to provide on call environmental consulting services and stormwater pollution prevention monitoring for the period July 1, 2017 through June 30, 2020.

FISCAL IMPACT:

No impact to the County General Fund. Costs will be covered by land development application fees.

BACKGROUND:

On June 15, 2017, the Department of Conservation and Development (DCD) conducted a bidding process inviting interested parties to submit their applications. DCD reviewed the qualifications of the entities who submitted bids and selected DMA on the basis of expertise, local knowledge and price. DMA provides geotechnical review and Stormwater Pollution Prevention monitoring services for land use projects requiring geology reports where topographical or geological/stormwater concerns are present. The work performed by DMA includes performing initial California Environmental Quality Act assessment on

cc:

geotechnical issues, reviewing geotechnical reports submitted by applicants, reviewing grading plans and Stormwater Pollution Prevention monitoring reports, and providing guidance on other geotechnical matters.

CONSEQUENCE OF NEGATIVE ACTION:

There would be no contract and the Department would not have the specialized consulting services provided by DMA.
