To: Board of Supervisors
From: Brian M. Balbas, Interim Public Works Director/Chief Engineer
Date: September 26, 2017

Subject: ADOPT Traffic Resolution to prohibit parking at all times of vehicles with specific height and length on portions of Pacheco Blvd., Martinez area.

RECOMMENDATION(S):

ADOPT Traffic Resolution No. 2017/4462 to prohibit parking at all times of vehicles six feet or more in height (including any load thereon), or 20 feet or more in length, on Pacheco Boulevard (Road No. 3951C), beginning from its intersection with Arthur Road (Road No. 3681), and extending southeasterly for a distance of 3,432 feet (0.65 miles), or to the City limit, as recommended by the Interim Public Works Director, Martinez area. (District V)

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

The Traffic Engineering section received a request from the Public Works Maintenance Division to prohibit tractor trailers and trucks from parking on the wide dirt shoulders along portions of Pacheco Boulevard. Truck and trailer parking along this minor arterial has caused shoulder damage and requires ongoing maintenance. In addition, several residents complained about truck and RV parking along adjacent sections of Pacheco Boulevard with
