September 25, 2017. As the County's Community Action Agency, the Department's Community Services Bureau regularly receives Community Services Block Grant (CSBG) funding to operate self-sufficiency programs under the advisement of the County's Economic Opportunity Council (EOC). The funding amount is based on the County's low-income population, which meets federal poverty guidelines. This board order is to accept the County's allocation of \$838,958 for the 2018 program year.

CONSEQUENCE OF NEGATIVE ACTION:

The Employment and Human Services Department will be hampered in its ability to operate self-sufficiency program in the community, and to establish partnerships with community based agencies and public organizations.

CHILDREN'S IMPACT STATEMENT:

The Employment and Human Services Department Community Services Bureau supports three of Contra Costa County's community outcomes - Outcome 1: "Children Ready for and Succeeding in School," Outcome 3: "Families that are Economically Self-sufficient," and, Outcome 4: "Families that are Safe, Stable, and Nurturing." These outcomes are achieved by offering comprehensive services, including high quality early childhood education, nutrition, and health services to low-income children throughout Contra Costa County.
