in the Central Contra Costa County area during the school year of August through June.

### BACKGROUND: (CONT'D)

The State requires an indemnification clause with County subcontractors wherein the subcontractor holds harmless the State and its officers for any losses. The board approved the initial contract on September 12, 2017 (C.113). This board order is to approve an amendment to the contract to pass through the cost of living adjustment made to the daily rate for program slots by the California Department of Education.

### CONSEQUENCE OF NEGATIVE ACTION:

If not approved, the County will be unable to pay its contractor the appropriate daily rate for providing State preschool services.

### CHILDREN'S IMPACT STATEMENT:

The Employment and Human Services Department Community Services Bureau supports three of Contra Costa County's community outcomes - Outcome 1: Children Ready for and Succeeding in School, Outcome 3: Families that are Economically Self-sufficient, and Outcome 4: Families that are Safe, Stable, and Nurturing. These outcomes are achieved by offering comprehensive services, including high quality early childhood education, nutrition, and health services to low-income children throughout Contra Costa County.
