To: Board of Supervisors
From: William Walker, M.D., Health Services Director
Date: December 19, 2017

Subject: Interagency Agreement #28-337-1 with Pittsburg Unified School District

RECOMMENDATION(S):

Approve and authorize the Health Services Director, or his designee, to execute, on behalf of the County, Interagency Agreement #28-337-1 with Pittsburg Unified School District, a government agency, to pay County an amount not to exceed \$100,000, to provide school-based mental health intervention services for Seriously Emotionally Disturbed (SED) children and youth for the period from November 1, 2017 through June 30, 2018.

FISCAL IMPACT:

Approval of this interagency agreement will result in a total payment to the County not to exceed \$100,000. (No County match)

BACKGROUND:

This agreement will allow Pittsburg Unified School District to provide funding for County to provide professional school-based mental health intervention services to County-designated severely emotionally disturbed Special Education students who are participants in Pittsburg Unified School District Elementary, Middle and High Schools Counseling Enriched Classrooms (CEC).

Under Interagency Agreement #28–337-1, the agency will pay the County for the provision of outpatient day treatment and mental health services, through June 30, 2018.

CONSEQUENCE OF NEGATIVE ACTION:

County is required to provide certain mental health services to special education students under the Federal Individuals with Disabilities Education Act (IDEA). If this agreement is not approved, the agency will not pay County for providing services to students within the school district.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale.
