BACKGROUND: (CONT'D)

measure for the June 5, 2018, ballot. If passed by two-thirds of the CSA P-5 voters voting on the measure, the measure would provide additional funding for extended police protection services within the boundaries of this county service area, located in the Round Hill area. Under the proposal, revenues from the increased taxes would be used to preserve current service levels, including two resident deputy sheriffs and maintenance of a patrol vehicle.

CONSEQUENCE OF NEGATIVE ACTION:

The public hearing date would not be fixed or noticed. Without a noticed public hearing, the proposed tax measure could not be presented to the voters.

CHILDREN'S IMPACT STATEMENT:

No impact.
