To: Board of Supervisors
From: David O. Livingston, Sheriff-Coroner
Date: March 27, 2018

Subject: West Advanced Technologies, Inc.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a contract amendment with West Advanced Technologies, Inc., to extend the term of the contract by one-year, from June 30, 2018 to a new term of June 30, 2019 for specialized design development, programming, and maintenance and support for the Automated Regional Information Exchange System.

FISCAL IMPACT:

Urban Areas Security Initiative (UASI) Grant Funding of up to \$250,000; remaining \$150,000 ARIES Funding.

BACKGROUND:

The Automated Regional Information Exchange System (ARIES) is a software application owned by Contra Costa County, and used by County and other law enforcement agencies to manage arrest and parolee data collected from law enforcement agencies. ARIES manages arrest and parole data provided by local law enforcement agencies that is stored on a County server. The purpose of this Contract amendment is to allow more time for the Contractor to provide consulting, design development, programming services, maintenance

and support services to the Sheriff's Office. The project

BACKGROUND: (CONT'D)

is being designed to include modernizing user interface within ARIES application, implementing user training navigator and application user interface monitoring tools. The ultimate goal of this project is to make the user's experience as integrated and intuitive as possible. There are currently more than 9,000 users from over 93 different agencies participating in the system.

CONSEQUENCE OF NEGATIVE ACTION:

ARIES is 13 years old, the system is aging and in need of improvements to support a modern, advanced, industry standard model. If this contract is not approved, ARIES will not be able to upgrade and implement a sophisticated data sharing system for more than 9,000 users.
