

Contra
Costa
County

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: March 27, 2018

Subject: Agreement #29-208-83 with the California Department of Public Health, Immunization Program

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute Standard Agreement #29-208-83 (State #17-10316) with the California Department of Public Health, Immunization Program to pay County an amount not to exceed \$1,593,320, to implement the Immunization Program, for the period from July 1, 2017 through June 30, 2022.

FISCAL IMPACT:

Approval of this agreement will result in an amount not to exceed \$1,593,320 in funds from the California Department of Public Health, for the County's Immunization Program. No County match required.

BACKGROUND:

The County's Immunization Program will implement the Project including making immunizations available to all persons in need of such service in order to prevent the occurrence and transmission of childhood diseases. The Program monitors the compliance of preschools, elementary schools, and secondary schools in meeting State-mandated immunization requirements through in-service programs and limited technical assistance.

ATTESTED: March 27, 2018

David Twa, County Administrator and Clerk of the Board of Supervisors

By: June McHuen, Deputy

Contact: Dan Peddycord,
925-313-6712

An adverse reaction monitoring system and outbreak control team are also included in the Program.

BACKGROUND: (CONT'D)

Approval of this Standard Agreement #29-208-83 will allow the County to continue providing services, through June 30, 2022. This agreement includes agreeing to indemnify the State for any claims arising out of the County's performance under the agreement.

CONSEQUENCE OF NEGATIVE ACTION:

If this agreement is not approved, County would lose funding to support and monitor the compliance of preschools, elementary schools, and secondary schools in meeting State-mandated immunization requirements through in-service programs to prevent the occurrence and transmission of childhood diseases. Further, the County would no longer receive free vaccine from the State.
