entitlements.

This payment limit increase is from the California Department of Aging's (CDA) annual redistribution of unused funds from all California counties. Funds are redistributed based on county populations and are designated for the increase of budget line items that are not direct service delivery. The increase will be used toward the contractor's rent, which is a CDA allowable expense.

CONSEQUENCE OF NEGATIVE ACTION:

Contractor will not be able to access the additional funding allocated to Contra Costa County by the California Department of Aging.
